NEW!!! "HARVEST GIANT" MUMS

Now you can grow .. Football type .. Mums in the GARDEN without Black Cloth or Rain Protection. In order to achieve maximum flower size..plants must be disbudded. Disbud leaving only one flower to a stem. Without disbudding the flowers are more numerous but somewhat smaller. All of the "Harvest Giants" bloom the last half of September except Red Skin which blooms October 1.

\$1.00 Each

SP-9 HARVEST GIANT SPECIAL--One each of five colors. Our choice. Labeled.. \$4.50.

WC 395 FULL MOON - Pure white incurved standard type flowers up to 6" diameter.

WC 396 WHITE FROST - Pure white semi-incurved flowers up to 5" across.

YC 397 GOLD DUST - Bright golden yellow flowers up to 5" in diameter.

YC 398 JACK-O-LANTERN - A pleasing light lemon incurved flower up to 5" across.

PC 399 TOUCHDOWN - Extra large deep rose pink standard up to 6 $\frac{1}{2}$ " in diameter.

PC 400 SEPTEMBER SONG - Medium rose pink flowers continuously from its first flowering date 'til hard freeze. Compact plant habit.

PC 401 PINK HAZE - Pleasing light shell pink flowers up to 5 $\frac{1}{2}$ " in diameter.

BC 402 INDIAN SUMMER - Striking deep bronze with golden reverse. Extra large flowers up to 6 $\frac{1}{2}$ " in diameter.

BC 403 PUMPKIN - Soft golden bronze incurved flowers up to 5" across produced freely on very compact plants.

RC 404 RED SKIN - Large reflex type flowers of vivid burgundy red measure up to 5" in diameter.

HARDY CHRYSANTHEMUMS -- 1960

-- PERENNIALS --

PRIMROSES

Primroses are among the earliest of flowers. They grow 6 to 8 inches high. Ideal for shady spots in the Rock Garden or in the shade of trees and shrubs. Heavy blooming size plants in various colors. Choice Pacific Hybrid Mixed. These bloom intermittently throughout summer. 60¢ each; 3 for \$1.50.

BLEEDING HEART (*Dicentra Spectabilis*)

True old fashioned flower with lovely pink sprays of pantaleon flowers. Blooms in May or June and does well in either semi-shade or sun. Large 3 to 5 eye clumps. \$1.00 each.

BABY'S BREATH (*Gypsophila Bristol Fairy*)

Double flowering Baby's Breath. Large white florets in airy panicles make it ideal for cutting. Blooms almost all summer from early June until frost. True grafted double flowering variety will bloom the first year. 75¢ each.

HARDY PHLOX

Handsome trusses with large thickly clustered florets make Phlox the queen of the midsummer garden. Strong 1 year old roots which should bloom this summer.

SP-5 HARDY PHLOX ASSORTMENT -- 5 Different Varieties
Our Choice -- Labeled and Carefully Packed. \$3.00

DELPHINIUMS

The tall, slender, graceful spikes of large well formed flowers make them ideal for tall borders, backgrounds, prize beds or cutting. They will grow 4 to 5 feet tall and will bloom the first year if proper care is given. They are GIANT PACIFIC HYBRIDS, outstanding and mildew resisting. 35¢ each; 3 for \$1.00. The named Delphiniums are:

SUMMER SKIES--Light blue; white bee. GALAHAD--Fine clear white.
KING ARTHUR--Deep royal violet; white bee. BLUEBIRD--Clear medium blue.
ASTOLAT (Pink Delphinium)--From pale blush through all shades lilac
pink to deep raspberry red. Sun black or brown bee.

COLEUS

The beautiful colored leaves of this plant will enhance your garden or brighten any sunny window. Everyone loves the bright colors of the coleus. For best results temperatures should not fall below 60 degrees F. at any time. 25¢ each or 10 assorted for \$2.25.

-- BULBS --

GLADIOLUS

Gladiolus are beautiful flowers in the garden border or arranged in the home. Choice selection. 79¢ per dozen.

FANCY LEAF CALADIUMS

Caladiums may be planted outside anytime after ground is warm and are popular for their beautiful foliage. They do best in moist situations and should be protected from hot sun. Fine in shady locations.

Assorted Bulbs for 25¢ each.

DAHLIAS

This stock is field grown and it has been acclimated by growing in the rugged climate and soil of the Ohio Valley and is full of vitality.

A--Flowers over 8 inches in diameter FD--Formal Decorative
B--Flowers under 8 inches in diameter ID--Informal Decorative

TERRACE VIEW SUNSET -- New introduction of our own for 1960. Lovely pink overlaid with sunset tints. Its performance has been good in Eastern and Mid-Western Test Gardens. It is a formal decorative dahlia with B flowers. \$1.00 each.

****HOUSE PLANTS****

IVIES

- IV-34 FLUFFY RUFFLES--New! Appealing extraordinarily curled and ruffled leaves which remind one of swirling skirts. New growth is crested with velvety brown fuzz. It is slow growing but very self branching. Distinctive. Our own introduction. 85¢ each.
- IV-37 SHELL--A variegated ivy with rounded and scalloped leaves like a shell. 60¢ each.
- IV-36 CALIFORNIA GOLD IVY--Large curly green leaves speckled heavily with yellow and sometimes blotches of lighter green. 45¢ each.
- IV-29 EMERALD JEWEL--Small three-pointed leaf; attractive free branching ivy. 45¢ each.
- IV-24 FANNETTE IVY--Dark green leaves veined and shaped like a half-open palm fan. 45¢ each.
- IV-7 GREEN RIPPLE IVY--An easily grown plant with very rippled deep green leaves which are sharply notched and pointed. 45¢ each.
- IV-17 GREEN SPEARS IVY--Very slender spear-like leaves. 45¢ each.
- IV-15 IDEAL IVY--Slightly curly deep green leaves; free branching and useful. 45¢ each.
- IV-10 JUBILEE IVY--A dwarf self branching plant with closely set, tiny light green leaves with white bands on margins. 45¢ each.
- IV-23 SHAMROCK IVY--Three joined lobes make each leaf. Gives trefoil effect to this lovely ivy. 45¢ each.
- IV-16 SWEETHEART IVY--Small dark green heart shaped leaves. Will make long trailing or climbing growth. 45¢ each.
- IV-26 TEAR DROP--Different! A self branching ivy with pretty green oval leaves. A crinkled or raised appearance between veins is evident. The leaves are in the shape of a tear drop. Our own introduction. 45¢ each.
- *****
- AECHEMEA 'FOSTER'S FAVORITE'--Upright rosette with striking lacquered wine-red leaves; pendant spike of coral red goose neck berries tipped with deep blue flowers which blend. Very long lasting spikes of berries. Withstands some neglect. 4" pot \$4.00 each.
- BILLBERGIA NUTANS--Tall narrow stiff grass like foliage with flowers of blue-edged green petals, conspicuous golden stamens and striking pink bracts. Decidedly out of the ordinary. Plants are shipped from 3" pots. \$1.25 each.
- PEDILANTHUS TITHYMALOIDES VARIEGATUS--The tri-color ovate leaves of pale green highly variegated white, and tinged carmine-red are borne on upright growing gray green fleshy stems; unique redbird bloom. 3" pot \$1.00 each.
- DWARF ALUMINUM PLANT--A small upright grower with broad green leaves beautifully barred with silver. Easy to grow. 50¢ each.
- SILVER AND BRONZE PANAMIGAS--New! Bronzy quilted leaves with silver stripes. Something different and quite attractive. 75¢ each.

- RUELLIA MACRANTHA--A rarely seen low creeper from Brazil. Leaves are satiny green with silver veins. Beautiful rosy-purple flowers. 60¢ each.
- CHLOROPHYTUM ELATUM VITTATUM---Improved. A lilaceous house plant, sometimes called Spider Plant. New plants reminding one of spiders or miniature airplanes are produced on the end of flower stalks. A wide white band runs through each leaf. 45¢ each.
- PHILODENDRON CORDATUM--Glossy heart shaped leaves on long graceful vines are easily grown in soil or water. These plants grown two to a pot. 65¢ a pot.
- OPHIPOGON JAPONICUS--Lovely dark green grassy tufts of foliage which is very hardy and sturdy for planters and dish gardens. 60¢ each.
- ASPIDISTRA ELATIOR--It is known as Cast-iron Plant because of its ability to thrive almost anywhere with little care. Long glossy heavy, green leaves are its characteristic. Purplish brown flowers are borne at the soil line. Out of 4" pots \$2.50 each.

CACTI AND SUCCULENTS

- CS-1 A collection of Cacti and Succulents you will enjoy. 4 Different \$1.25.
- C-1 Four different Cacti \$1.25 or eight different Cacti \$2.50.

THE HISTORY OF THE UNITED STATES

The history of the United States is a story of growth and change. It begins with the first settlers, who came to the Americas in search of a new life. They found a land of opportunity, but also a land of challenge. The early years were marked by struggle and hardship, but the spirit of the pioneers was unyielding. They built a nation from scratch, one that was based on the principles of freedom and democracy. Over the years, the United States has grown from a small colony to a global superpower. It has faced many challenges, from war to economic crisis, but it has always emerged stronger and more united. The history of the United States is a testament to the power of the human spirit and the ability of a nation to overcome adversity. It is a story that inspires and motivates, and it is one that we should all be proud to share.
